¹ Pursuant to Court Order, the Notice Period is 14 days. *See Order Granting Motion to Reduce Time to Shorten the Notice and Response Time to Object to the Motion for an Order Approving the Sale of the Assets Free and Clear of all Liens, Claims, Encumbrances, and Interests to Tapstone Energy, LLC with Brief and Notice of Opportunity for Hearing [Dkt. # 285].*

Dorchester Resources, L.P., the debtor in possession (the “Debtor”) hereby submits this motion (the “Motion”) seeking entry of an Order of the Court (a) approving a proposed settlement (the “Settlement”) between the Debtor and Tapstone Energy, LLC (“Tapstone” or the “Purchaser”), pursuant to Rule 9019 of the Federal Rules of Bankruptcy Procedures (the “Bankruptcy Rules”), and (b) approving the sale of certain assets free and clear of all liens, claims, encumbrances, and other interests pursuant to a purchase agreement (the “Purchase Agreement”) between the Debtor and Tapstone. In support of this Motion, the Debtor states:

I. JURISDICTION AND VENUE

1. This Motion is a core proceeding pursuant to 28 U.S.C. §§ 1334 and § 157.
2. The statutory bases for the relief requested herein are sections 105, 363, 364, and 365 of title 11 of the United States Code (the “Bankruptcy Code”), and Bankruptcy Rules 2002, 4001, 6004, 6006, and 9019.
3. On April 5, 2021, (the “Petition Date”), the Debtor filed a voluntary petition for relief pursuant to chapter 11 of title 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Western District of Oklahoma (the “Bankruptcy Court”).
4. The Debtor continues to operate and manage its business as debtor-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.
5. As of the date hereof, an official committee of unsecured creditors has not been appointed in the case. No request has been made for the appointment of a trustee or examiner.

II. BACKGROUND

6. On April 7, 2021, the Debtor filed its *Amended Motion for an Order (A) Approving the Sale of the Assets free and Clear of all Liens, Claims, Encumbrances, and Interests to the Winning Bidder and (B) Authorizing the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases of the Debtor with Brief and Notice of Opportunity for Hearing* (the “Sale Motion”) [Dkt. # 28].

7. On May 13, 2021, the Court issued the *Order (A) Establishing Bidding Procedures, (B) Manner and Form of Notice for Sale of a Significant Portion of Debtor’s Assets, (C) Scheduling Dates for an Auction, and (D) Authorizing and Approving the Form of a Stalking Horse Asset Purchase Agreement* (the “Bidding Procedures Order”) [Dkt. # 174].

8. On June 23, 2021, Tapstone filed its *Objection and Reservation of Rights of Tapstone Energy, LLC to the Debtor’s Cure Amount* (the “Tapstone Objection”) [Dkt. # 217].

9. Following the Court’s *Order Granting Debtor’s Application to Bifurcate Sale Hearing* [Dkt. # 242] and the Court’s *Order Setting Bifurcated Portion of Sale Hearing from June 29, 2021, to July 28, 2021* [Dkt. # 252], issues for determination at the hearing set on July 28, 2021 include the Tapstone Objection, along with certain other objections.

10. Tapstone asserts that as of July 31, 2021, not less than \$257,780.83 for joint interest bills related to the Debtor’s interests in (a) wells operated by Tapstone including those that are proposed to be transferred to DRII, LLC pursuant to the Sale Motion (the

“DRII-Tapstone Wells”), and (b) approximately 1,546 wells in which the Debtor owns a non-operating working interest, which are not proposed to be transferred pursuant to the Sale Motion (the “DR-Tapstone Wells” and, together with the DRII-Tapstone Wells, the “Tapstone Wells”). Tapstone asserts that these amounts must be paid prior to such transfer. The Debtor disputes that amount due and owing.

11. The Debtor believes that the DR-Tapstone Wells are unprofitable to the Debtor and cause the Debtor to sustain losses and liabilities each month. Further, the Debtor believes that, while the wells are uneconomical for the Debtor, the wells likely hold some value to the operator, *i.e.* Tapstone. *See* Declarations of John T. Perri at Sections 31-35 (Dkt. # 18); see also (Dkt. # 173). The Debtor intends to transfer its interests in the DR-Tapstone Wells to Tapstone pursuant to this Motion and as contemplated in the Purchase Agreement, and absent such transfer, the Debtor likely would need to move to abandon the wells to mitigate the economic damages the DR-Tapstone Wells cause the bankruptcy estate.

12. The proposed Purchase Agreement, which is consistent with the terms contained in this Motion, will be filed with this Court prior to the hearing on this Motion.

III. THE SETTLEMENT

13. Pursuant to the Settlement, which is embodied in the Purchase Agreement and this Motion, the Debtor and Tapstone have agreed, in full and final resolution of the Tapstone Objection, to the following, subject to the Court’s approval:

- a. Tapstone agrees to purchase the DR-Tapstone Wells from the Debtor for a purchase price of \$100,000.00, with such wells transferring to Tapstone free

and clear of all liens, claims and interests;

- b. Tapstone shall be entitled to receive and retain all revenue associated with production from the DR-Tapstone Wells from and after April 1, 2021, free and clear of all liens, claims and interests;
- c. To the extent not already transferred to Tapstone or authorized to be retained by Tapstone, as applicable, Tapstone shall be entitled to receive and retain all revenue associated with production from the DR II-Tapstone Wells from and after April 1, 2021, up to and including June 30, 2021;
- d. Upon consummation of, and conditioned on, the transaction described herein, Tapstone shall be deemed to have forgiven and/or otherwise waived all currently unpaid claims against the Debtor for joint interest billings relating to the DR-Tapstone Wells; and
- e. The Debtor and Tapstone shall execute a mutual release of the other party in connection with the joint interest billings, including any audit rights thereof, relating to the Tapstone Wells.

14. The Debtor believes that the compromise, embodied within the Settlement terms above, is fair and equitable to all interested parties, and in the best interest of the Debtor's estate, as it eliminates the Debtor's substantial obligation to continue paying fees and costs in connection with the DR-Tapstone Wells.

15. Further, Tapstone possesses certain monetary claims against the Debtor under certain joint interest billing statements. The Settlement allows the Debtor to avoid the burden, expense and uncertainty of pursuing a reduction of Tapstone's claim against

the Debtor. Moreover, the cost of any potential litigation likely would outweigh any value to be gained by the Debtor as a result of such litigation.

16. In an effort to preserve estate assets and serve the best interest of creditors, the Debtor believes that (a) the sale by the Debtor to Tapstone of the Debtor's interest in the DR-Tapstone Wells and (b) allowing Tapstone to receive and retain the revenues associated with the production from such assets for all periods prior to such transfer, in exchange for (x) a cash payment of \$100,000 by Tapstone to the Debtor and (y) a forgiveness and/or waiver of all currently unpaid joint interest billings associated with the operation of the DR-Tapstone Wells is a practical and prudent resolution.

IV. SALE OF ASSETS TO TAPSTONE

17. As described above, the Debtor has reached an agreement with Tapstone to sell Tapstone the Debtor's interests in the DR-Tapstone Wells (the "Assets") pursuant to the Purchase Agreement and subject to the Court's approval.

18. The DR-Tapstone Wells consist of approximately 1,546 wells that are operated by the Purchaser, in which the Debtor owns a working interest of about 2.5% or less.² The Assets consist of only the unexpired oil and gas lease rights in and to the producing zone under only currently producing wells. For the avoidance of doubt, the remainder in the unexpired oil and gas lease rights to the same producing zone for a new well drilled along with any and all other zones and rights under the oil and gas lease are being transferred to DRII, LLC pursuant to the Sale Motion, and not to Tapstone.

² A list of the DR-Tapstone Wells is attached hereto as **Exhibit 1**.

19. The Debtor proposes to sell the Debtor's interests in the DR-Tapstone Wells to Tapstone free and clear of all liens, claims and encumbrances and otherwise subject to the terms of the Purchase Agreement in accordance with sections 363 and 365 of the Bankruptcy Code on the terms described in the above paragraph 13 (the "Tapstone Sale").

20. The Debtor believes that it is in the best interests of the Debtor's estate and creditors to pursue a sale of the Assets under sections 105, 363 and 365 of the Bankruptcy Code.

21. The Assets are subject to Simmons Bank's first priority security interest. Simmons Bank has agreed to release its first priority security interest in exchange for payment under this transaction. In addition, Tapstone asserts an operator's lien under certain joint operating agreement(s) and applicable law in the DR-Tapstone Wells for certain unpaid operating expenses. The Debtor is not aware of any other person or entity that could assert a lien in the Assets sought to be sold to Tapstone other than Simmons Bank and Tapstone.

22. The Debtor believes that Tapstone is a good faith purchaser. There is no commonality of ownership between the Debtor and Tapstone. The Purchase Agreement was negotiated, proposed, and entered into by the Debtor and Tapstone in good faith, and from arm's length bargaining positions, without collusion.

23. The Purchase Agreement is entered into in good faith, at arm's length, with Tapstone being represented by independent counsel.

24. Tapstone has demonstrated to Debtor, or Debtor has otherwise satisfied itself, that Tapstone has the financial ability to consummate the Tapstone Sale and is a

ready, willing, and able buyer for the Assets.

25. Tapstone understands that it is purchasing the Assets in the context of a distressed seller and a bankruptcy. Details of such representations and warranties are set forth herein and in the Purchase Agreement, and are limited thereby. Except as provided herein and in the Purchase Agreement, none of the representations, warranties, covenants, and agreements contained therein or herein shall survive the closing of the Tapstone Sale of the Assets.

26. In the exercise of its business judgment, Debtor believes the Tapstone Sale is in the best interest of all parties and represents the highest and best price that could be achieved for the Assets.

27. The Expense Reimbursement (as defined in the Purchase Agreement) set forth in the Purchase Agreement shall be paid in accordance with the Purchase Agreement, and (i) if triggered, shall be deemed an actual and necessary cost and expense of preserving the Debtor's estate, within the meaning of section 364(c)(1) and 503(b)(1) of the Bankruptcy Code, payable as provide in section 21 of the Purchase Agreement; (ii) is of substantial benefit to the Debtor's estate; (iii) is reasonable and appropriate in light of the size and nature of the sale and the efforts that have been or will be expended by Tapstone; (iv) was presented in good faith; and (v) is necessary to ensure that Tapstone will continue to pursue its proposed acquisition of the Assets contemplated by the Purchase Agreement.

28. In the event any person or entity desires to place an overbid for the Assets, the Debtor, in consultation with its advisors and Simmons Bank, shall determine, in its sole and absolute discretion, what is in the best interest of the Debtor, including whether any

third-party offer is a higher and better offer for the Assets.

V. BRIEF IN SUPPORT

A. THE COMPROMISE BETWEEN THE DEBTOR AND TAPSTONE SHOULD BE APPROVED BY THIS COURT.

29. “[T]he law favors compromise.” *In re Lakeland Development Corp.*, 48 B.R. 85, 90 (Bankr.D.Minn. 1985), *aff’d without opinion*, 782, F.2d 1048 (8th Cir. 1985), *cert denied*, 476 U.S. 1130 (1986). Typically, a Bankruptcy Court has the authority to approve a compromise with a debtor under Bankruptcy Rule 9019 if it concludes that the settlement or compromise falls above “the lowest point in the range of reasonableness.” *See, e.g., In re Pennsylvania Truck Lines, Inc.*, 150 B.R.595, 598 (Bankr.E.D.Pa. 1992), *aff’d*, 8 F.3d 812 (3rd Cir. 1993).

30. The United States Supreme Court has provided guidance to bankruptcy courts to determine whether to approve a settlement. In *Protective Committee Stockholder of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414, 88 S. Ct. 1157, 20 L. Ed. 1 (1968), the Supreme Court stated that a bankruptcy court, in considering whether to approve a compromise, should:

apprise [itself] of all facts necessary for an intelligent and objective opinion of the probabilities of ultimate success should the claim be litigated. Further, the judge should form an educated estimate of the complexity, expense, and likely duration of such litigation, the possible difficulties in collecting on any judgment which might be obtained, and all other factors relevant to a full and fair assessment of the wisdom of the proposed compromise.

31. The Tenth Circuit has followed the United States Supreme Court in determining whether to approve a compromise. *See, American Employers’ Insurance*

Company v. King Resources Company, 556 F.2d 471 (10th Cir. 1977) and *Reiss v. Hagmann*, 881 F.2d 890 (10th Cir. 1989). Some of the applicable factors set forth in *King Resources Co.* and how they apply to this case are as follows:

i. “The balance between the likelihood of plaintiff’s or defendant’s success should this case go to trial vis-à-vis the concrete present and future benefits held forth by the settlement without the expense and delay of a trial and subsequent appellate procedure.”

a. If the Court does not approve this Motion, the Debtor believes it will continue to accrue losses on the DR-Tapstone Wells. Further, the dispute relating to the outstanding joint interest billing statement would necessitate motion practice, discovery practice, hearings, and possibly trials, to determine the true amount at issue, which the Debtor would incur additional attorney fees and court costs. The Debtor believes that considering the cost and uncertainty, this agreement represents a fair and beneficial settlement as the DR-Tapstone Wells are not economically beneficial to Dorchester.

ii. “The proportion of the class members that do not object or who affirmatively support the proposed settlement.”

a. The Debtor is hopeful that all creditors will support the proposed settlement. Resolution with Tapstone will further conserve estate assets for the benefit of all creditors.

iii. “The competency and experience of counsel who support the

settlement.”

a. The competency and experience of counsel is known to the Court.

iv. “The relative benefits to be received by individuals or groups within the class.”

a. The Debtor believes the proposed settlement is beneficial to all of the Debtor’s stakeholders.

v. “The nature of the release to be obtained by the defendant as a result of the settlement.”

a. The Debtor is able to eliminate risk, exposure and expenses by entering into the proposed Settlement.

vi. “The extent to which settlement is truly the product of ‘arms-lengths’ bargaining, and not a fraud or collusion.”

a. The Parties have negotiated in good faith and at arms-length. The terms set forth above are not tainted by fraud or collusion. Being fully apprised of the facts, the Debtor, after consultation with its counsel, has determined that settlement is in the best interest of the Debtor, of creditors and of the Bankruptcy Estate.

B. THE SALE TO TAPSTONE SHOULD BE APPROVED UNDER 11 U.S.C. § 363(B)(1)

32. Section 363(b)(1) of the Bankruptcy Code provides that “[t]he trustee, after notice and a hearing, may use, sell or lease, other than in the ordinary course of business, property of the estate.” 11 U.S.C. § 363(b)(1). Courts have uniformly held that approval

of a sale under section 363(b) of the Bankruptcy Code is appropriate if a Court finds that the transaction represents a reasonable business judgment on the part of the debtor or trustee. *See Institutional Creditors of Continental Air Lines, Inc. v. Continental Air Lines, Inc.*, 780 F.2d 1223, 1226 (5th Cir. 1986) (applying reasonable business judgment standard to sale of assets under section 363(b) of the Bankruptcy Code); *In re Lionel Corp.*, 722 F.2d 1063, 1071 (2d Cir. 1983) (same); *In re Donohue*, 410 B.R. 311, 315 (Bankr. D. Kan. 2009) (requiring “sound business reason” for authorization of sale under section 363(b) of the Bankruptcy Code).

33. Here, the Tapstone Sale of the Assets is a reasonable exercise of the Debtor’s business judgment under the circumstances, and in the best interests of the estate and creditors.

34. Further, the Debtor believes that the proposed Tapstone Sale presents the best opportunity to maximize the value of the estate’s assets for the Debtor’s creditors and limit the Debtor’s exposure to claims. The ultimate goal of any bankruptcy sale is to maximize value received by the estate.

35. Accordingly, the Debtor submits that the Tapstone Sale of the Assets is an appropriate exercise of the Debtor’s business judgment.

36. The Debtor requests authority to pay customary closing costs, if any, as provided in the Purchase Agreement and herein, and then to pay the proceeds of the Tapstone Sale in full to Simmons Bank without the need for any further authorization from this Court.

37. Simmons Bank holds a perfected, pre-petition security interest in all of the

Debtor's assets, including proceeds therefrom, in an amount of not less than \$15,900,000.00. Simmons Bank will hold a lien upon the assets and sale proceeds that are received. There is no doubt the post-petition liens of Simmons Bank upon the assets are valid and existing liens. Therefore, the payments as requested should be authorized as a part of the sale order. The balance of the sale proceeds, if any, will be held in escrow by the Debtor pending further order of this Court.

C. THE SALE OF THE DESIGNATED ASSETS SHOULD BE APPROVED UNDER 11 U.S.C. § 363(F)

38. The Debtor seeks entry of an order authorizing and approving the Tapstone Sale.

39. Unless otherwise expressly provided in the Purchase Agreement or the Tapstone Sale order, the Assets are to be sold free and clear of all liens, claims, encumbrances, and interests pursuant to section 363(f) of the Bankruptcy Code, with all such liens, claims, encumbrances, and interests to attach instead to the sale proceeds.

40. Pursuant to Section 363(f) of the Bankruptcy Code, a debtor may sell property outside the ordinary course of business under Section 363(b) "free and clear of any interest in such property" if any one of the following conditions is satisfied:

- (1) applicable non-bankruptcy law permits the sale of such property free and clear of such interest;
- (2) such entity consents;
- (3) such interest is a lien and the price at which such property is to be sold is greater than the aggregate value of all liens on such property;
- (4) such interest is in bona fide dispute; or
- (5) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.

11 U.S.C. § 363(f); *see also In re Elliot*, 94 B.R. 343, 345 (E.D. Pa. 1988) (holding that

Section 363(f) is written in disjunctive; court may approve sale “free and clear” provided at least one of the requirements is met).

41. The Debtor believes that section 363(f)(2) will be satisfied because each party that holds a lien on the Assets, if any, will consent, or absent any objection to this Motion, will be deemed to have consented to the Tapstone Sale and transfer of the Assets.

42. Further, any liens in the Assets will attach to the proceeds of the Tapstone Sale to the same extent, validity and priority as existed before the Tapstone Sale, thus satisfying section 363(f).

43. Applicable case law provides that a sale of a debtor’s assets free and clear of all liens, claims, encumbrances, and interests is permissible under section 363(f) as long as the liens, claims, encumbrances, and interests attach to the net proceeds of the sale. *Folger Adam Security, Inc. v. DeMatteis/MacGregor, JV*, 209 F.3d 252, 259 (3d Cir. 2000) (“The holdings of the courts suggest that any interest in property that can be reduced to a money satisfaction constitutes a claim for purposes of section 363(f) and, therefore, attaches to the proceeds of the sale.”); *In re Elliot*, 94 B.R. 343, 345 (ED. Pa. 1988).

44. Debtor will present evidence at the sale hearing showing that the Tapstone Sale is the result of arm’s length negotiations in good faith. The Tapstone Sale will naturally be “for value.”

45. In light of the circumstances, the Debtor requests that the Court make a finding at the sale hearing that Tapstone has acted in good faith within the meaning of section 363(m) of the Bankruptcy Code.

D. THE 14 DAY STAY PROVIDED FOR IN BANKRUPTCY RULE 6004(H) SHOULD BE WAIVED

46. Bankruptcy Rule 6004(h) provides that an order authorizing the sale of property is stayed for 14 days after its entry, unless the Court orders otherwise.

47. Due to the necessity to facilitate the orderly and timely sale of the Assets, the Debtor requests that the Court waive the 14 day stay provided by the Rule.

V. CONCLUSION

The Debtor respectfully requests that the Court grant the relief requested herein and such other and further relief as is just and proper.
