Long form Birth Certificate - Most comprehensive birth record. It is a certified copy of the original birth certificate. It will also show a history of corrections that have been made to the birth record. This form is often used for requesting passports. This is the form we issue for individuals born in Ochiltree County.

Short form Birth Certificate - An abstract of the birth record. This birth certificate will only show current information for the child's name, date of birth, place of birth, sex, and name of parent(s). This form will not show a history of corrections. This form is often used for school records and is acceptable for most purposes. This is also the form we can issue for individuals born outside of Ochiltree County.

Standard Death Certificate - Most comprehensive death record. It is a certified copy of the original death certificate. It will also show a history of corrections that have been made to the death record. This form is often used for probates or proof of death for insurance. We do issue an amended, long form when a death record has an amendment.

Extra Copies - You obtain additional copies of a death certificate at the time of purchase for \$4 each. We recommend if you think you will need more than one to obtain the copies at the time of purchase to save money. If you come in days later to obtain more, we will have to charge the \$21 for the first copy, again. So, it is a prudent thing to get more the first time.

Copies of birth certificates for births that occurred within the past 75 years can be requested only by the immediate family of the person whose name is on the birth certificate. See Section 181.1(13) of the Texas Administrative Code for who qualifies as an immediate family member. An immediate family member is the child, their guardian, their children, spouse, parents, siblings, or grandparents.

Applicants who are not immediate family members must provide legal documentation (such as a court order establishing guardianship) that demonstrates a direct, tangible interest in the birth certificate

Copies of death certificates for deaths that occurred within the past 25 years can be requested only by the immediate family of the person whose name is on the death certificate. See Section 181.1(13) of the Texas Administrative code for who qualifies as an immediate family member. An immediate family member is the spouse, child, parents, siblings, or grandparents.

The applicant must include a photocopy of his or her valid photo ID issued by a governmental entity. See Section 181.28 of the Texas Administrative Code for a complete list of acceptable forms of identification. You can also see the County Clerk's page on acceptable identification in English & Spanish (<http://co.ochiltree.tx.us/>) Scroll over "County Offices" - Click on County Clerk, then click on Vital Records for the proper section.

Applications for birth or death certificates cannot be processed without a photo ID or alternate IDs and the signature of the applicant. **If a valid photo ID or alternate ID and signatures are not received, the application will not be processed.**
